

Memorandum

August 8, 2005

TO: State Homeland Security Working Group
State and Local Officials
County Emergency Management Directors
Area Development District Executive Directors

FROM: Thomas H. Arnold
Director of Training Programs and
State National Incident Management System Compliance Officer

RE: Federal Preparedness Grant Programs
as Reported to the NIMS Integration Center

This information was provided by federal departments and agencies to the NIMS Integration Center regarding their preparedness funding programs with state and local entities, including cooperative agreements, memorandums of understandings, grants and contracts. We are making this preliminary list available to help state and local entities identify funding streams that may be affected in connection with NIMS implementation requirements. This should not be considered a definitive list of federal preparedness grants and agreements.
